

**These are Wild Bear's COVID-19 Guidelines for parents. All parents will be provided with a copy of this contract upon registration and must read and agree to the guidelines listed here before the start of camp.**

COVID-19 Policies: During this time of the COVID-19 pandemic, we will be taking extreme measures to ensure the health, safety, and well-being of your children, our staff, and the community. We are working in accordance with permission from Boulder County Health Department and state officials to operate safely and legally. This is our highest priority. We will be closely monitoring for symptoms of COVID-19. If a child or staff member shows any symptoms, they will be presumed positive. Necessary actions will be taken by Wild Bear per our COVID-19 Contract.

I agree to educate my child about the risks of COVID-19 and how to minimize these risks.

I confirm that my child(ren) has been taught proper hand sanitizing and washing. I commit that my child(ren)'s hands will be wash each morning before arriving at camp.

I understand Wild Bear Staff and campers will be required to wear a mask when within a 6 feet distance from others.

I agree that my child(ren) will arrive with a clean mask and their supply pack daily.

I agree to take my child(ren)'s temperature every morning within an hour of arriving at camp, or even in the car at drop-off. I ensure that if my child(ren) has a fever of 100F+, I will not bring them to camp and I will inform Wild Bear of their symptoms.

I've received the information that camp and group materials will be sanitized after each use. Staff first aid kits will now include extra masks, hand sanitizer, gloves, etc.

I have watched the Wild Bear You Tube Video, Invisible Nature, to understand how not to be a host. See below.

I have received the Wild Bear Happy Camper Checklist, and will ensure all items listed are brought with my child(ren) each day of camp.

I agree to remain in my car to sign in my child in compliance with the Happy Camper Checklist.

I agree to disclose if I, my child(ren), or anyone that we have been in contact with, show symptoms of the Covid-19. I understand that my child will need to stay home for 72 hours to confirm they are symptom free.

I understand that due to the Covid-19 pandemic, Wild Bear is limited by these safety precautions. However, Wild Bear will always do their best to provide fun and creative nature education in the outdoors.

I understand that if I am not following the policies laid out by Wild Bear in these documents, Wild Bear reserves the right to cancel or postpone my child(ren)'s enrollment without refund.

Due to the dynamic nature of this pandemic, all policies and procedures are subject to change. Wild Bear will communicate any changes to these policies.
